

Capitala

A one-stop financing solution providing private credit and private equity capital to small businesses //

ABOUT US //

Capitala Group is an asset management firm that has been providing private credit and private equity capital to lower- and middle-market businesses throughout North America for over twenty-five years. Since our inception in 1998, Capitala has invested over \$2.2 billion into small businesses utilizing our flexible capital mandate which provides creative financing solutions to companies. We seek to partner with strong management teams to create value and support growth through strategic partnerships, operational expertise, and a shared vision for success.

STRATEGY //

Capitala works with management teams, business owners, funded financial sponsors and independent sponsors to individually tailor private credit and private equity capital to support the needs of lower- and middle market businesses. We have seasoned professionals with real operational experience in a variety of industries that can assist with implementing key strategies for ongoing growth and success.
