

Capitala

A one-stop financing solution providing private credit and private equity capital to small businesses //

ABOUT US //

Capitala Group is an asset management firm that has been providing private credit and private equity capital to lower- and middle-market businesses throughout North America for over twenty years. Since our inception in 1998, Capitala has invested over \$2.2 billion into small businesses and strives to make an impact through responsible investing and a unified mission to support social impact initiatives.

STRATEGY //

Capitala works with management teams, business owners, funded financial sponsors and independent sponsors to individually tailor private credit and private equity capital to support the needs of lower- and middle market businesses. We have seasoned professionals with real operational experience in a variety of industries that can assist with implementing key strategies for ongoing growth and success.
